

RAMSAKHI RAMNIWAS CONVENT SCHOOL BHARALI, GORAKHPUR

Summer Vacation Home Work

Class:- 3

Mathematics:

1. Practice addition and subtraction problems up to 3 digits.
2. Draw and solve simple word problems related to addition and subtraction.
3. Practice multiplication tables up to 5 and solve simple multiplication problems.
4. Solve problems related to time, calendar, and money.

English:

1. Read a storybook and write two paragraphs summarizing the book, including the main character, plot, and setting.
2. Learn new vocabulary words and use them in your own sentences.
3. Practice grammar using simple sentences.
4. Write a short paragraph about your summer vacation and what you enjoyed the most.

Science:

1. Observe and record changes in the weather for one week.
2. Write about the different kinds of animals you have seen in your area. Include information about their habitat, diet, and behavior.
3. Read about the different states of matter (solids, liquids, and gases) and conduct simple experiments.
4. Make a chart of the different food groups and include examples of healthy food for each group.

Social Studies:

1. Create a map of your neighborhood including landmarks and important places.
2. Research and write about a famous historical landmark in your country.
3. Learn about different types of communities (urban, suburban, rural) and describe the characteristics of each community.
4. Write about one tradition or celebration in your culture and why it is important to you.
